SAMSUNG

30 cu. ft. Mega Capacity 3-Door French Door Refrigerator with Family Hub™ in Stainless Steel

Installation Specifications

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2.5" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

For optimal usage and ability to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimensions and cutout information is for planning purposes only. For complete installation details, consult manual packed with product or download manual online at samsung.com.

Will It Fit? Guide

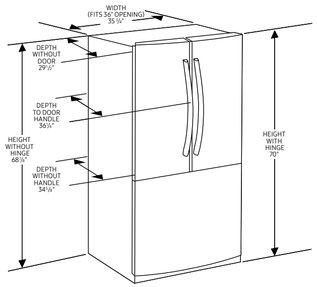
30 cu. ft. 3-Door French Door Refrigerator

SAMSUNG

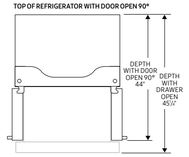
MODEL RF32CG5900SR DIMENSIONS

Be sure your new fridge will fit

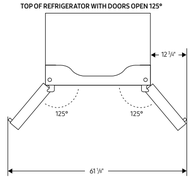
Don't wait until delivery to be sure your new refrigerator will fit – both in your kitchen and through all doorways. This guide includes all pertinent measurements and clearances so you can buy with confidence.



TOP OF REFRIGERATOR WITH DOOR OPEN 90°

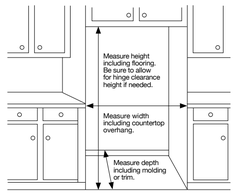


TOP OF REFRIGERATOR WITH DOOORS OPEN 125°



Standard-Depth Refrigerator

Standard-depth refrigerators typically measure 30 to 35 inches in depth, as opposed to counter-depth refrigerators that sit flush with cabinetry.



Installation clearances

✓Allow 3 ¾" of clearance when installing along a wall. This will allow for the door to open 90 degrees without the handle contacting the wall.

✓Allow 2" minimum clearance at rear for proper air circulation and water/electrical connections.

✓Allow a ¾" minimum clearance at sides and top for ease of installation.

For optimal usage and ability to open refrigerator doors completely, do not install next to a wall.

Please note: The above dimensions and cutout information is for planning purposes only. For complete installation details, consult manual packed with product or download manual online at samsung.com.

Walk the delivery route

✓Identify the narrowest opening that the appliance will travel through, from outside the home to the location where it will be installed.

✓Appliance depth or width must be smaller than the width of the narrowest opening.

Warranty

LIMITED WARRANTY (U.S.A.)

SAMSUNG REFRIGERATOR

LIMITED WARRANTY TO ORIGINAL CONSUMER PURCHASER WITH PROOF OF PURCHASE

This SAMSUNG brand product, as supplied and distributed by Samsung Electronics America, Inc. (SAMSUNG) and delivered new, in the original carton to the original consumer purchaser, is warranted by SAMSUNG against manufacturing defects in materials or workmanship for the limited warranty period of:

One (1) year parts and labor
Five (5) years parts and labor on Sealed Refrigeration System Only (Compressor, Evaporator, Condenser, Drier, and Connecting Tubing)
Ten (10) years part and Five (5) years labor on Digital Inverter Compressor Only

This limited warranty is valid only on products purchased and used in the United States that have been installed, operated, and maintained according to the instructions attached to or furnished with the product. To receive warranty service, the purchaser must contact SAMSUNG at the address or phone number provided below for problem determination and service procedures. Warranty service can only be performed by a SAMSUNG authorized service center. The original dated bill of sale must be presented upon request as proof of purchase to SAMSUNG or SAMSUNG's authorized service center to receive warranty service.

SAMSUNG will provide in-home service within the contiguous United States during the warranty period at no charge, subject to availability of SAMSUNG authorized servicers within the customer's geographic area. If in-home service is not available, SAMSUNG may elect, at its option, to provide transportation of the product to and from an authorized service center. If the product is located in an area where service by a SAMSUNG authorized servicer is not available, you may be responsible for a trip charge or required to bring the product to a SAMSUNG authorized service center for service.

To receive in-home service, product must be unobstructed and accessible to the service agent.

During the applicable warranty period, a product will be repaired, replaced, or the purchase price refunded, at the sole option of SAMSUNG. SAMSUNG may use new or reconditioned parts in repairing a product, or replace the product with a new or reconditioned product. Replacement parts and products are warranted for the remaining portion of the original product's warranty or ninety (90) days, whichever is longer. All replaced parts and products are the property of SAMSUNG and you must return them to SAMSUNG.

This limited warranty covers manufacturing defects in materials or workmanship encountered in normal household, noncommercial use of this product and shall not cover the following: damage that occurs in shipment, delivery, installation, and uses for which this product was not intended; damage caused by unauthorized modification or alteration of the product; product where the original factory serial numbers have been
