Westinghouse

USER MANUAL

BOTTLE LOCK

ACC083

GENERAL WARNINGS

Please read the user manual carefully and store in a handy place for later reference. Pass the user manual on to possible new owners of the appliance.

Read the following carefully to avoid damage or injury.

NOTE: You must read these warnings carefully before installing or using the accessory. If you need assistance, contact your Customer Care Department. The manufacturer will not accept liability, should these instructions or any other safety instructions incorporated in this book be ignored.

ENVIRONMENT

Remove and discard any packaging material before using this accessory. Most of the packaging materials are recyclable. Please dispose of those materials through your local recycling depot or by placing them in the appropriate collection containers.

WARNING

Risk of suffocation, injury or permanent disability.

- This accessory is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instructions concerning the use of the appliance by a person responsible for their safety.
- This accessory may contain small parts that are a choking hazard. Not suitable for children under 3 years of age.

CAUTION

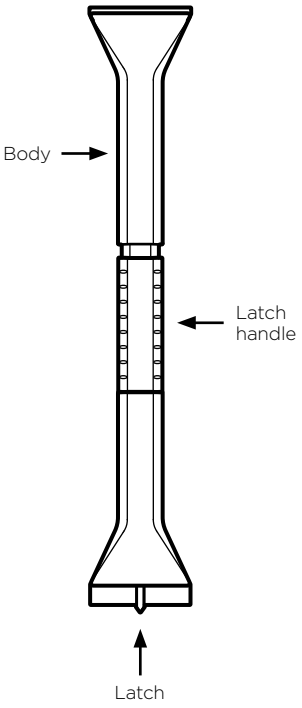

It is important to use your appliance safely. Check these safety points before using your appliance.

- Do not use or place the accessory near the edge of the table or counter, near hot gas, stove, electric burner or heated oven.
- This accessory is for indoor use only.
- This accessory is intended for domestic use only. Electrolux will not accept any liability for possible damage caused by improper or incorrect use.
- When cleaning, use only a soft cloth with an unscented mild soap and lukewarm water.
- Never use hot water, solvents, commercial kitchen cleaners, aerosol cleaners, metal polishes, caustic or abrasive cleaners, or scourers to clean the accessory, as they may damage it. Many commercially available cleaning products and detergents contain solvents that will damage your accessory.

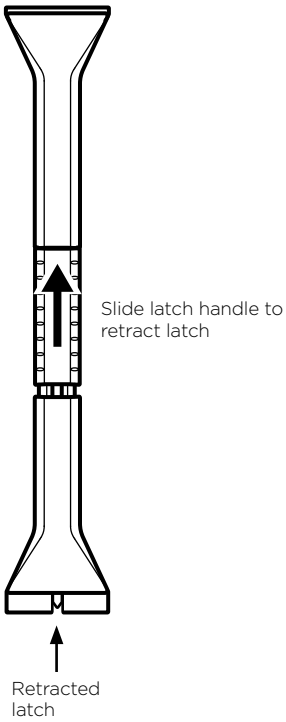

OPERATION

Description

Bottle Lock latch in engaged state

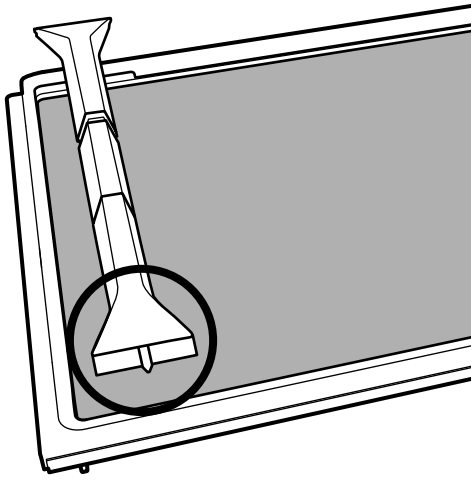

Bottle Lock latch in retracted state

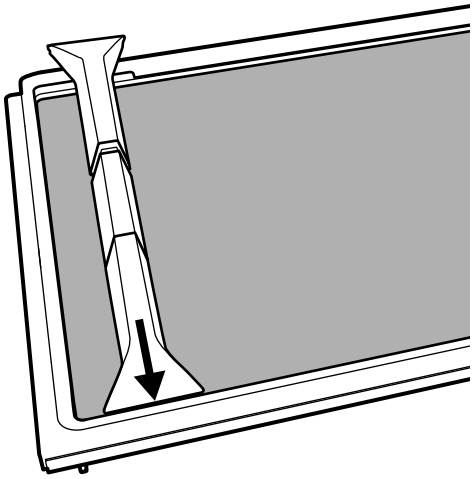

Operation

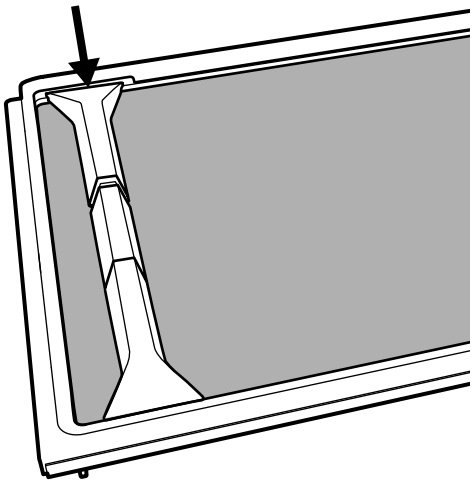

1, Hold bottle lock with latch pointing towards yourself.

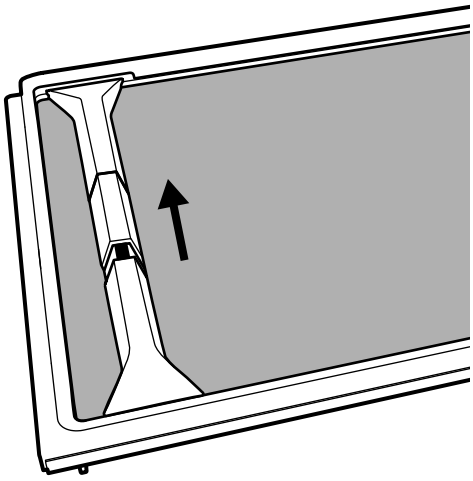

2. Insert the latch end under the lip at the front of the crisper shelf at either side.

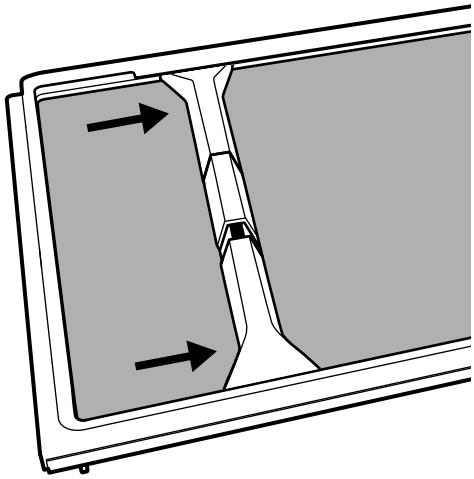

3. Lower the back of the bottle lock onto the crisper shelf. There is a gap in the back lip of the crisper shelf allowing the Bottle Lock to be lowered.

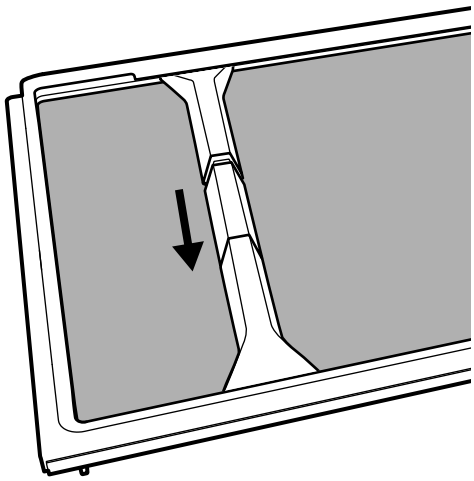

4. Slide the latch handle back to retract the latch.

5. With the latch retracted, slide the Bottle Lock under the lips at the front and back of the crisper shelf.

6. Release the latch handle when the Bottle Lock is in the desired position in order to lock the latch to the crisper shelf.

To reposition

Slide the latch handle back to reposition Bottle Lock as desired.

To remove

Slide the latch handle back and move the Bottle Lock to either side of the crisper shelf, then lift the rear slightly and pull the Bottle Lock backwards.
